An Interview with:

Michael Jordan

Q. What was it like watching the closing laps?

MICHAEL JORDAN: Look, I'm racing against Denny. I really wanted to beat him because I know we're going to talk a lot of trash a little bit later.

It was a good race. When we started to run out of fuel, I didn't know what was happening.

23XI, all the guys drove well today. All four cars in the top 15. That says a lot about the program.

This kid is on fire. I don't know if I can cool him down. He is unbelievable. Unbelievable last couple laps. I'm proud of the whole team.

Q. How much fun is there for you?

MICHAEL JORDAN: When you win, it's always fun. Right now it's fun for everybody at 23XI. Me being here and being able to see all the wins, I am so happy for the team. I just think we need to continually build on this, without a doubt.
