## Pit Lane Interview

Sunday, April 26, 2026

### Alex Bowman

**Q. Alex Bowman, your best finish of the season. Everything you've been through this year, the finishes, out for four races for vertigo, this one has to feel pretty good.**

**ALEX BOWMAN:** Yeah, I mean, honestly, to be blunt, it just feels good to get out here without crashing. I'm getting old, don't have much of that left in me. Glad to get out of here clean.

Yeah, we had a great Ally 48 Chevy all day. Felt like we played the race the best we could kind of with the situations we were given.

Yeah, had a good day on pit road. Hendrick engine shop did a great job. Glad to get a Chevrolet in Victory Lane there with the 77. Happy for him. He deserves it, for sure. A perfect place for him to get his first one.

The Boulevard, did they leave that open tonight? It might burn down with that going on.

Yeah, just a good day for us. Excited to turn things around a little bit. Hopefully we can keep that going next week.
