## Alex Bowman

**Q. It had been since last August when Alex Bowman had a top 10. Now you've had two top 3s in a row. We're making it a weekly thing. How good does this feel, you guys finally have some momentum maybe on your side?**

**ALEX BOWMAN:** It feels good. Honestly, just to be having solid days and finishing races after how the start of the season went. Super happy for this Ally 48 team, everybody at Hendrick Motorsports. Happy for the 9 on the win. Hendrick Engine Shop did a great job.

Yeah, we got way better from where we unloaded, and definitely momentum headed in the right direction. All in all a good day for us. Big shout-out to Reddick for cutting me a break on the last lap. That could have been bad. Appreciative to him.

Yeah, just need to be a little bit better there, but we're definitely headed in the right direction.
