Quick Quotes

Q. All right, here with Haeran Ryu, runner-up here at the Dana Open. Just take us through the week. What were some of the highlights out there?

HAERAN RYU: I think last hole. (Laughing.) Try not to short shot, I think almost five, six meters birdie, and, okay, I got to try to the birdie or eagle and then I want to go to playoff.

But really good shots and almost get it in. I think that is highlight I think this week, yeah.

Q. And then just this is your seventh top 10 finish of the season. What's working so well for you? What part of your game is working the best right now?

HAERAN RYU: I think before the U.S. Open my shot is really bad, and my putter is bad too. But after that, after the U.S. Open I went to Korea and I met my coach, and he comes to Evian too, and I'm preparing for the major and practice for my iron and more accuracy. I think that's more better than before.

And I met a new coach at the T-Mobile Match Play, and he's really good to me I think. Yeah, this is a good part for me this year.

Q. What will you take away from this week heading into the rest of the season?

HAERAN RYU: Before my best spot is third at the JM Eagle, and this week is second at the Dana. I think next one is winner I think. I think now my first really good and hopefully move up for next tournament.
