Quick Quotes

Q. Here with Sei Young Kim. I know it was kind of an up and down day out there. How did you stay patient and grind out a 1-under round?

SEI YOUNG KIM: Yeah, I mean, after I had triple it was a little tough to patient. In my head a lot of thinking going on, so I was like try to keep calm myself.

Yeah, but I pretty solid finish today. I just try to do my best for tomorrow.

Q. Heading into tomorrow, what's the mindset? Greens are still really soft out here. Just going to try to attack as much as you can?

SEI YOUNG KIM: Depends where the pin position. Yeah, even course look like some hole really easy, but it's not easy because there is hazard around the greens, so I have to -- sometimes you need smart play.

Yeah, depend what the situation and then going on on the course. Yeah, it's different.
