Q. Second time I get to talk to you today this is time, you were a champion here in Arkansas. Second win. Was it any easier send time around?

ATTHAYA THITIKUL: No, not at all. Not at all. I mean, like I just feel like playing golf with Danielle is kind of tough as well because she is pretty great player, win a lot on LPGA Tour already.

But for me out there, on second hole I'm just trying to do my best every single shot, so that's how it's going.

Q. You join a good list of Thai players that have multiple wins on the LPGA Tour. Do you see yourself now as a bit of a role model for other Thai girls?

ATTHAYA THITIKUL: I'm pretty sure that all the Thai players, they need to have the motivator from us. I mean, not just me, but from all Thai players out here on the LPGA Tour.

Yeah, of course I want to be the one that can like inspiring them as well.

Q. Congratulations again. You played well and hard all week long. Thanks for joining us very much for your time.

ATTHAYA THITIKUL: Thank guys.
