Ryann O'Toole

Quick Quotes

Q. Here with Ryann O'Toole after your final round. Take me through that -- heard the cheer from over here -- so that final putt there ending. Was that a birdie an eagle?

RYANN O'TOOLE: Eagle.

Q. Let's talk about the eagle then.

RYANN O'TOOLE: I mean, hey, I'd love to end on a positive note like I did. I kind of was frustrated with my round today. I didn't have any birdies on any of the par-5s prior, so I guess that one makes up for it.

Definitely is playing harder today. Greens are faster, the wind, all that. Yeah, drove 14 in two; ended up three-putting that. I guess that's payback.

Q. There you go. You somehow managed to get in another round with Megan Khang out there.

RYANN O'TOOLE: Yeah.

Q. Three days in a row. How much fun did you have all week?

RYANN O'TOOLE: We had a good time. We were just joking how the third person with us didn't do so good. I don't know what it was. Megan and I definitely fed off each other and a friend of mine, so it was nice.

Q. She said you kicked her. Is that...

RYANN O'TOOLE: No. She was pacing off the yardage on 17 and on the tee box and I walked past her and we tripped. She stumbled. It was pretty funny. She was mellow dramatic about it.

Q. Well you've played here about. How much do you enjoy playing here every year?

RYANN O'TOOLE: I do. I like it. The fan support is unbelievable. We just always get a great turnout. I think

having that and being able to have host housing, people opening up their homes welcoming us players and caddies is a always awesome. I wish we had more weeks like that. Definitely makes the week very easy, convenient. But great golf course, great turnout, and good weather.

Q. Yeah, top 10 finish. I think T5 right now.

RYANN O'TOOLE: Yeah.

Q. Top 10 finish for sure. How much confidence does that give you going into the last couple events of this season?

RYANN O'TOOLE: Yeah, you know, I'm just trying to keep building and see where it takes me. Top 10 last week and then this week again. I'm happy about that. Kind of just every golf course is different, so let's see what I can do on the next couple.
