Quick Quotes

Q. Okay, I'm here with Elizabeth Szokol after her final round at the Walmart NW Arkansas Championship. Solid round out there; bogey-free. Anything in particular about your game that has been clicking? You've some really great rounds recently.

ELIZABETH SZOKOL: I started to hit my tee shots a lot better and hit a lot more fairways. I hit the ball really well today and hit the ball well the first round as well.

Just got some putts to drop today, which was nice to see.

Q. You really took advantage of the par-4s it seems like. Most of your birdies today were on the par-4s. Was it your putting maybe too as well that stuck out?

ELIZABETH SZOKOL: Definitely. I was hitting the ball well and hit some close ones and finally saw some putts drop, so definitely made some 10-, 15-footers today, which was great.

Q. I saw you signed a lot of autographs, a lot of kiddos here, especially young girls. What does it mean to be a role model, especially to a lot of young girls?

ELIZABETH SZOKOL: It's so great. It's so nice to see kids come out and watch us play, and hopefully it makes them want to play golf or continue to play. The crowd here was so great here today and it's always nice being back here in Arkansas.

Q. What are you looking forward to as we get near the end of the season?

ELIZABETH SZOKOL: I think just still playing well and just making some improvements and hopefully take some good momentum to the off-season.
