CHAMPIONSHIP
PRESENTED BY **P&G**

Q. Jeeno, take us through that back nine. What a finish out there. Played tough, didn't it?

JEENO THITIKUL: Yeah, it's is tough. I found it the toughest I play here on this course. The wind is so windy out there. I haven't been in this situation in this course before.

I am trying to make as much birdie as I can because I know tomorrow morning going to be a little windy as well. Just trying to give myself opportunity to make a birdie.

Q. What adjustments if any did you make because the wind out there?

JEENO THITIKUL: Oh, we literally just like, my caddie and I, I think we shouldn't think about the wind while we waiting. We should think about the wind when we just going to hit the shot. Because it's going all round and we can't predict anything much.

So, I think for us, just really stick to what we think the wind is going to take us. So it's pretty good for the back nine.

Q. You won here. I did the trophy presentation. What's it going to be like this weekend? What's the plan for the weekend?

JEENO THITIKUL: Actually, I think this course pretty low score every year. Everyone knows. To get me in contention I need to make lots, lots of birdie.

You know, all the girls hitting bombs on the there and hitting birdies, birdies, and birdies. I think this score still going to below for this course even it's going to be windy.
