Q. All right, here with Olivia Cowan after her second round. Solid round today. I think just one bogey on the scorecard. Talk about how you played out there.

OLIVIA COWAN: Yeah, I played really nicely. Gave myself a lot of chances. Rolled a few putts in. Just had a good time out there really.

Q. And talk about this course, too, what makes it so birdieable. We've seen a lot of birdies today.

OLIVIA COWAN: Yeah, I think, I mean the greens are quite soft or softer than last year, so you can attack a lot of pins.

I mean, I really like the setup of the course. I played well last year and it's a great atmosphere out here; like so many people come out to support.

So I think all in all you just kind of want to attack and have fun and just enjoy golf. And that's what it is really, you want to try and attack pins.

Q. Talk about the course conditions that you saw today versus yesterday. There was a lot of wind yesterday afternoon.

OLIVIA COWAN: Yeah, I think -- I don't know how it was in the morning. It was quite windy in the afternoon. It was swirling a lot. It was pretty similar this morning. I don't know if it's dying down or kind of staying the same.

Yeah, it was tough because you don't know -- it switches the whole time so you've got one club in the hand and then it switches so you need to change again. I think you just need to be really committed on your shots.

Q. Two solid rounds in the past couple days. Talk about how you refocus and attack for tomorrow.

OLIVIA COWAN: Yeah, I'm just going to try and have the same game plan as the last two days: just go out and have fun and enjoy it. That's what we're here for. Yeah,
