### Quick Quotes

**Q. What a day for you out there, being able to rebound as you did throughout the round. How are you feeling coming off the course today?**

AZAHARA MUNOZ: I'm proud of myself. Obviously it was a tough day and I didn't have a good start. I got pretty unlucky on No. 6. I got a plugged lie in the bunker, so I had to take an unplayable. But I fought really hard. I made some really nice putts coming in and all you can do.

**Q. What was it like for you to be in contention and into the playoff? What were your feelings when you found out you were going to be going extra holes?**

AZAHARA MUNOZ: It's really fun. I think that's what we practice for. We just want to be in contention and feel the nerves. So it was really, really good to be there.

**Q. How were you feeling as you were going off this front nine heading into the back nine? What were you telling yourself to rebound and continue to stay strong?**

AZAHARA MUNOZ: Just keep doing what you're doing. I know I'm playing good enough, so I knew I could make birdies coming in, and you never know what can happen in these type of courses, so the same thing; I made a double like that, someone else could do it, too. Just the only thing I wanted to do was fight until the end and that's what I did.

**Q. How are you feeling about your game about what you were able to do here today?**

AZAHARA MUNOZ: Feeling really good. It's always great to have a good week before a major, but it's a new week, so tomorrow I'll take the day off and Tuesday will be a new day.
