Quick Quotes

Q. It's difficult conditions there towards the end of your round. How would you summarise your play and your game today?

PATTY TAVATANAKIT: I feel like everything was pretty much really similar to yesterday. Just you know, bad break and bad bounces today. Didn't really make any putts coming in but overall I feel pretty good about my game.

Q. And what would you say is your favourite thing about links course or maybe this course in general?

PATTY TAVATANAKIT: I think maybe you don't really have to be perfect. You have to be creative and just make it a little bit more fun to play.

Q. And what are you going to prepare for the weekend?

PATTY TAVATANAKIT: Just the same thing. I feel like pick up -- hopefully pick up a couple shots here and there with scoring and I'll be in a good spot.
