## Atthaya Thitikul

### Quick Quotes

**Q. So you had four consecutive birdies in the back 9. Can you talk about your round today?**

ATTHAYA THITIKUL: Well, I didn't start pretty good with a couple holes again. But, you know, like I just know that today I have to really be patient out there because it's so windy out there.

And then just, you know, good I can fight back in the back 9.

**Q. And like you said, the conditions were really bad today and it was very windy. How did you feel you dealt with that throughout the course? What was going through your mind?**

ATTHAYA THITIKUL: Like I said like before, I have to be patient today. Really be patient today, not go like really aggressive to the pin, just like time to be safe. And if you can make it, but if not it's okay, and then you just go into the next hole and keep it up.

**Q. And you had some great finishes this year. Do you feel that momentum has helped you with this week?**

ATTHAYA THITIKUL: Of course, definitely, because I have so many good tournaments before, like the finish, and then a good momentum helped me a lot in this week and so many weeks.

**Q. And how do you think you'll prepare for this weekend?**

ATTHAYA THITIKUL: I'm lucky that I'll be here early to eat breakfast and then prepare to play on the links. And then I'm not sure that I'll play well or not, but hopefully I will because, like I said, I'm not a big fan of link course, and it's just time to give it all that I have.

**Q. It's funny that you say you're not a big fan, but you have a great track record on the links course?**

ATTHAYA THITIKUL: Yeah, I don't even know how I can shoot like under-par today and yesterday also, it's like, okay, it's a good round, I'll take it all.
