## Jeongeun Lee6

### Quick Quotes

**Q. You had a couple bogeys there in the beginning. Tell me how you rebounded to finish off strong on that back 9?**

JEONGEUN LEE6: Just I focused on my downswing, just rhythm. I focused on not quickly, quick swings. And then wind is also so strong. I hit the control shot, and a little bit low shot. Yeah, that's it.

**Q. What's it like playing in this wind, and how did you prepare for that today?**

JEONGEUN LEE6: In the range, I prepared just control shot. The green is a little bit slow today. So I focused on just speed, putting.

**Q. What do you think of this course? What do you like about the links courses? Because we don't see these all the time on the LPGA Tour?**

JEONGEUN LEE6: I'm not used to this course because there is not links course in Korea.

**Q. Were you surprised with your score today among the wind?**

JEONGEUN LEE6: Yeah. I'm very satisfied with my results. Yeah. Before the round I thought very tough today.

**Q. What did you learn from today's round that you'll take into the weekend here?**

JEONGEUN LEE6: I learned putting. With the wind, a little bit more break than speed.
