## Pajaree Annannarukarn

### Quick Quotes

**Q. Are you happy with your performance on the course?**

PAJAREE ANANNARUKARN: Yeah, definitely. Honestly I wasn't planning to look at the scoreboard until after the round. I've been playing very good golf, just a couple good shots that I didn't hit it good but it's golf.

**Q. How difficult is it to explain the different challenges and the conditions on a course like this?**

PAJAREE ANANNARUKARN: We didn't get to play in the links very often, especially back home in Thailand. It's a great learning experience and coming here, and again this year, learning everything about links course and the shots that we never actually like get to play that often. It's fun.

**Q. You've improved your score every day this week.**

PAJAREE ANANNARUKARN: Yeah, I just really try to focus on my game and learning every day, because links course, you never know what's going to happen sometime. But yeah, just going to focus on my game and trying to maybe play a little better tomorrow.

**Q. The field is so close, a good score one way or the other could make a big change in where you end up?**

PAJAREE ANANNARUKARN: There's a lot of good golfers out here this week and obviously we'll have to go very low tomorrow. But that he, we're just going to focus on my game.
