

Trust Golf Women's Scottish Open

Sunday, August 15, 2021

Leven, Fife, Scotland, UK

Dumbarnie Links

Pajaree Anannarukarn

Quick Quotes

Q. Three birdies on the back nine, three on the front nine. Can you talk me through your round?

PAJAREE ANANNARUKARN: Yeah, it's definitely a great day out there. Played some really good golf. Just one bad hole. Really pleased with my game and how my game is heading.

Q. What would you say is the most difficult thing you've had to work on this week?

PAJAREE ANANNARUKARN: I have to think about it obviously but I almost wanted to say everything. But I mean, I feel like I've been -- just the wind a little down today. It much better compared to the last two rounds, so I think just I was able to kind of manage to hit more fairways and greens and made some really good putts out there. So it's been good.

Q. Has it been difficult to come in every day and the weather keeps changing, the conditions are changing, has it been difficult to get your head around that?

PAJAREE ANANNARUKARN: We just have to kind of like flow with whatever comes and I feel like, yeah, it's hard. Maybe it's challenging I would say. But just I think we need to play our own best and just try to trust your number, trust your potential. I mean, it's just you've got to play, drive it good and just really commit to the shot. That's all you can do.

Q. And what do you think is your goal for the rest of the season, events coming up?

PAJAREE ANANNARUKARN: Just doing what I've been doing and just really focus on the progress and trust that what you've been working on will probably improve and hopefully will keep this momentum going and keep learning and improving what I should be working on.
