Quick Quotes

Q. Great round today, you're currently tied ninth going into the weekend. Can you talk to me a little about your round?

JASMINE SUWANNAPURA: Today, again, I mean, you know, keep it this way and everything is kind of like smooth day, fairway, greens, and a lot of birdie chance, a lot of opportunity.

But today was just a little more windy. I think it's probably gusty on the back nine, too, and it definitely affect all the putting today because I'm very close on the edge and everything for putting today.

Q. Bogey-free, too. Great way to go into the weekend?

JASMINE SUWANNAPURA: Yes.

Q. And your best finish has been tied 15th, so what would it fine going into the weekend finishing top 10?

JASMINE SUWANNAPURA: Overall I'm happy with my game now and hopefully not raining too hard tomorrow or the weekend. So just have to be patient here in Scotland and enjoy my golf and keep it smooth and simple, birdie chance, and get used to opportunity.

Q. Unfortunately very comfortable on links golf, and you said coming back to Scotland, you have lot of great memories. What makes you comfortable out here?

JASMINE SUWANNAPURA: I think that the golf course kind of make me creating a new kind of shot. You know, like it's not like a simple golf here. It's very challenging and I like it to be challenging. It's like you have one shot, one opportunity to hit a shot and if it's windy, you know, I know it's hard but you're going to have to do your best on every shot here. You can't just say, well, hit an easy drive. Every shot counts here.

Q. Do you find it difficult to prepare?

JASMINE SUWANNAPURA: No, I think my mental game is pretty good here in Scotland. I know that this is not an easy course, and every shot is different. Every shot is not easy. So I kind of like mentally prepared, just do your best. That's all you can do, do your best out here.

Q. Is there anything you're going to do tonight to prepare for the weekend?

JASMINE SUWANNAPURA: Relax.

Q. Take your mind off of golf?

JASMINE SUWANNAPURA: Yes.

Q. Do you find that's the easiest thing to do sometimes is take a step back?

JASMINE SUWANNAPURA: Right now, I don't remember what hole I'm making birdies, so it's hard for me. I don't remember negative on the golf course. I just go fish. So that's a good thing about me, I don't really remember, and it's kind of making my stress out from the golf course.
