

Trust Golf Women's Scottish Open

Saturday, July 30, 2022

Troon, Scotland, UK

Dundonald Links

Eun-Hee Ji

Quick Quotes

Q: Much windier today. Talk me through your round.

EUN-HEE JI: I thought it wasn't a bad round. But compared to yesterday I couldn't see the line when putting today. It was difficult to read the greens so I didn't have a lot of confidence in putting. But the weather was a lot better today than I thought it be, especially with no rain, so I played pretty comfortably today.

Q: You've played some brilliant golf. Is that what you were expecting on this course and is there anything about your game that suits this course in particular?

EUN-HEE JI: I think playing it safely here is a right way to approach. Because I try to avoid the bunkers as much as possible I think I've had some birdie opportunities and avoid carding bogeys.

Q: Couple shots back of the leaders. How do you feel and what will you focus on going into tomorrow?

EUN-HEE JI: I think if the weather situation is as good as today, It'll be a good round tomorrow but Scotland can be fickle with the weather and the wind

Q: What will your mindset be tomorrow and what would it mean to win here?

EUN-HEE JI: I always play looking at the leaderboard. But this is a course where you never know what's going to happen and there isn't a big gap between the scores, so if I play like I did the last three days, I think there could be a chance for me.
