## Charley Hull

### Quick Quotes

**Q. Round of 3-under today. Just talk me through it. Obviously only one dropped shot and four birdies.**

CHARLEY HULL: Yeah, played very solid today. I was happy with how I played. It was quite cold out there, and we had a little bit of rain. But no, it was a good, solid day and looking forward to tomorrow.

**Q. Obviously you love being in these final groups and in contention. What was that like again?**

CHARLEY HULL: Yeah, it was great fun. I loved it. Really looking forward to tomorrow because my boyfriend will be up here. He flies up tomorrow morning. So I'm buzzing.

**Q. Just in terms of watching with the kids and load of people, I know you love that. Is it great to see that there are still crowds coming out despite the weather this week?**

CHARLEY HULL: Yeah, it's nice. I wish there was more crowds. But it's always nice to see kids out there and they are out there having fun; and inspiring the next generation and interacting with the crowd and that because it's a bit of fun. It's a fun sport, and I hope they enjoy it.

**Q. Just in terms of your mindset going into tomorrow's round, what is it, just have fun, enjoy it?**

CHARLEY HULL: Just have fun, enjoy it. Go out there, have a laugh and make birdies. And if I don't make birdies, it's not the end of the world.
