## Nuria Iturrioz

### Quick Quotes

**Q. Nuria, round of 5-under to start the week here. Just talk us through today. Lovely conditions for you.**

NURIA ITURRIOZ: Yes, yes, thank you very much. The condition this morning were pretty well until hole 14, so I had to like take advantage of that.

But, yes, no, I'm feeling great. Many putts dropped in, so I'm happy. And I'm hitting the ball pretty good, so I'm just enjoying it.

**Q. I was going to say, what was the best part of your game? Putting? Approach?**

NURIA ITURRIOZ: Yes, I think everything a bit. You know, a bit complete. I just made one bogey with three putts on one, but it's normal because these links course are always challenging.

**Q. I know we've spoken about links in the past. You like all forms of golf, but this is a bit more difficult.**

NURIA ITURRIOZ: Yes, I like it. I like it. The more challenge you have the better I enjoy.

**Q. You played here a lot of times at this golf course.**

NURIA ITURRIOZ: Yes.

**Q. Does that help coming back?**

NURIA ITURRIOZ: I think so. I came here on Tuesday, play nine holes and nine holes in the pro-am and was enough. But it's been even better condition than last year. I remember last year was crazy, so I'm just trying to, you know, play my best game very like calm.

**Q. For tomorrow what's the game plan?**

NURIA ITURRIOZ: Same. I don't know. Tomorrow it's going to be late in the afternoon so maybe more windy and

everything. It's going to be whole different -- you cannot plan in links golf, so we'll see. Whatever I wake up, I'm going to feel it and try to do.
