Quick Quotes

Q. Very, very well played out there. Round of 6-under today; 10-under overall. Overall very early days, but currently in the lead. What are your thoughts?

NANNA KOERSTZ MADSEN: Yeah, happy with these two days. As you were saying, there is still much golf left to play. Yeah, I'm happy how I'm playing these two days.

Q. It was slightly trickier out there today, wasn't it? The wind was up a little bit more, a bit nippy, a little bit of water in the air.

NANNA KOERSTZ MADSEN: Yeah, it was chilly this morning. A lot more wind today than yesterday. Yeah, a little bit more tricky.

Q. You're obviously a fan of links golf. You were 5th in 2020 I think in this tournament and did well at Carnoustie as well. Clearly links golf is something you enjoy playing.

NANNA KOERSTZ MADSEN: Yeah, it's fun. I like to play this golf twice a year; not every week. But, no, it's really fun to get creative with the shots and, yeah, I enjoy it.

Q. A bit of a contrast in your week leading up to this event. After Italy, got some warm weather and saw some sights. Perfect preparation it seems.

NANNA KOERSTZ MADSEN: Yeah, it was great. Went there with a friend. It was just nice to get a couple days off golf. We had lovely weather in Denmark as well, so this is a big contrast to that.
