## Nelly Korda

### Quick Quotes

**Q. Really consistent round today. Could you talk through the tougher conditions? Were these the conditions you were hoping for this week?**

NELLY KORDA: Yeah, bogey-free, definitely missed a couple more greens. Wasn't hitting it probably as good as I was the first two days. But there was a tiny bit of a different wind direction.

Yeah, three-putted one of the par 5s for par. That kind of always stings a little bit. But other than that, I made some really good par saves and just didn't really capitalise on some of my good shots. But that's golf. That's okay. I still have tomorrow.

**Q. And do you remember your own professional debut, looking at Lottie doing what she's doing today?**

NELLY KORDA: That was so long ago. Gosh, this is my 10th year on tour. I think it was on Symetra. Obviously my professional debut was not as in the limelights like her.

But for her to succeed and to be leading the event is pretty special.

**Q. And mindset going to tomorrow ahead of next week?**

NELLY KORDA: Yeah, definitely not thinking at all about next week. Very focused on tomorrow. Just wake up and see how it goes. That's all I can do.
