Quick Quotes

Q. That was an entertaining round of golf to watch. What was it like to play?

NANNA KOERSTZ MADSEN: It was fun most of the time. I would like to be 17-under like Lottie is, but it was fun. Had a couple of good bounces.

Q. Some really great putts, as well. The putter was hot, wasn't it?

NANNA KOERSTZ MADSEN: A couple nice putts there. I have been putting pretty well this week. So hopefully I can do that tomorrow as well.

Q. Playing with someone like Lottie, like a metronome; she keeps hitting green after green after green. Does that put a different type of pressure on you, or is she not really in your thoughts and you're just concentrating on yourself?

NANNA KOERSTZ MADSEN: Out here I think it's easier to concentrate on yourself because you still have the wind. It was not too crazy with the wind today but you have that to focus on.

So I'm trying not to focus on her and the other players but obviously you still look sometimes at the leaderboard. But try and focus on my own game, yes.

Q. Looking at the leaderboard, you're with a great shout tomorrow. Which bits of your game do you think you need to sharpen if you're going to get over the finishing line?

NANNA KOERSTZ MADSEN: I need to go work on my driver right now. I need that to work if I will have a shot tomorrow. So yeah, I'm going to spend half an hour on the range and hopefully it will work.
