## Lottie Woad

### Quick Quotes

**Q. Well-played out there, round of 5-under. What are your thoughts?**

LOTTIE WOAD: I mean, I'll take it overall but I feel like I probably played better than I did the last two days. Just didn't really score too well. Gave myself a lot of chances. Happy with how I played tee-to-green. Could have maybe holed a few more putts.

**Q. How do conditions compare today to the first two days? Still pretty good for Scottish links?**

LOTTIE WOAD: Yeah, I think we've been pretty lucky with the weather so far. It's been not too windy. I don't know if it's going to be different tomorrow. We haven't had rain all week. So we've been pretty lucky.

**Q. A lot of eyes on you this week, and you've been delivering. Are you feeling the greater attention that's on you now that you've turned pro and now obviously you're doing well in a tournament of this profile?**

LOTTIE WOAD: I don't think it's too different. I feel like there's a lot of attention kind of leading up with me trying to get my points. So this kind of feels a bit more free now that I've got my card.

**Q. Your thoughts ahead of tomorrow, realistically, if you do something similar score-wise, you're going to have a great chance.**

LOTTIE WOAD: Yeah, that's the aim. Just going to try to shoot low as possible and keep giving myself chances. If someone shoots the lights out, fair enough.

**Q. You don't strike me as someone who looks like they get nervous but heading into the final day is there anything like that in your mind?**

LOTTIE WOAD: I think there's always nerves but overall I'm feeling good. Just excited for the opportunity, and I've

got the experience from leading in Ireland and other events that I've been in. So just going to try and use that.
