### Quick Quotes

**Q. You haven't had a lot of rest playing-wise. What was the difference this week and even today?**

BROOKE HENDERSON: Yeah, you know, I feel like the last few weeks I've been close, but just a little bit inconsistent.

So things really clicked today and even the last few days but I'm just giving myself a lot of good opportunities and it was nice to get off it a really fast start today. Kind of relaxed, and unfortunately didn't get as many on the back as I would have liked but I'm definitely happy with the round and excited for tomorrow.

**Q. Talked about the difference in the overseed and Bermuda. What are the adjustments you've had to make this week?**

BROOKE HENDERSON: Yeah, it's a totally different golf course than what we normally play in the springtime. I was fortunate to go back to had I moment in Florida last week so I was able to practice on Bermuda. Gave me a little bit of a heads upcoming here but definitely a different golf course.

**Q. And different without the fans and excitement, what's that going to be like and what are the keys for you tomorrow?**

BROOKE HENDERSON: Yeah, it is definitely different without the fans, especially with the walk up 18. That's always very exciting. Kind of get goosebumps, but still all the history and the tradition here, it's a special place and it's definitely a great opportunity tomorrow and hopefully I can go low.
