Michelle Wie West

Quick Quotes

Q. Michelle, just your general thoughts.

MICHELLE WIE WEST: Wasn't a good day. You know, got a little mucky from the first hole. Was right up against a tree. So it was like a foot from being good on a lot holes but, you know, just didn't (indiscernible - wind) the beginning, but I feel like I've had some really good moments and some really bad moments.

So definitely a lot of positives to take from and definitely have my work cut out for me.

Q. Little margin for error out here. (Indiscernible - wind) gets going the wrong way, I guess.

MICHELLE WIE WEST: Yeah, making the right decision takes practice, too. That's something that is hard to practice when you aren't playing, and that's probably where the rust really showed. That being said, I had some really good up and downs today that I'm definitely proud of.

Q. No. 9.

MICHELLE WIE WEST: Yeah. I mean, there were a lot of them. Again, there was a lot that I didn't save.

So definitely disappointing, but still a lot to take -- a lot of positives to take from.
