## Pajaree Anannarukarn

### Quick Quotes

**Q. Pajaree Anannarukarn, even par day today, but it was a nice pickup there at the end. Couple birdies on your last holes. Tell me about those, please.**

PAJAREE ANANNARUKARN: Yeah, just really stayed patient out there. The course played a little longer in the morning, a little more challenging, but glad I made those last two birdies.

**Q. You were in really close here on 18. Tell us about the approach there and how you played that hole.**

PAJAREE ANANNARUKARN: Yeah, it was 64 yards, just tried to land like three or four yards hopefully, but it land pretty close, so, yeah, it was a great shot there.

**Q. Really good shot. A good way to end your round. Very different conditions this morning from when you finished yesterday. What was that like?**

PAJAREE ANANNARUKARN: Yeah, like I said earlier, the course play a little longer, but just had more long iron into the greens.

So really just try to, like I said, stay patient, one shot at time, and hopefully I make some putts, but the putt didn't drop much today, so just hang in there and glad I made these two putts.

**Q. I think we've got some rain coming in tonight and going to ambiguous very different golf course this weekend. How do you prepare for that knowing the conditions will be so different?**

PAJAREE ANANNARUKARN: I mean, just it's good that we know beforehand, but just going to do my best and just try to stay in my game still.

But knowing, again, it's going to be a little colder and probably going to rain, and, yeah, just maybe, I don't know, bring some rain boot, rain jacket and stay dry.
