Quick Quotes

Q. Here with Maja Stark after her final round at the AmazingCre Portland Classic. First start as a member. Was it everything you hoped it would be and more? Just take me through those feelings today.

MAJA STARK: Yeah, I think it was very much like that. Really felt like you had to really play your best golf to be up there. I didn't feel like I did, so obviously I shouldn't win. Just wasn't playing good enough. That's what I was hoping for when I came out here.

So, yeah, just fun. Played with Frida. Yeah, had some good things to take away from today.

Q. Like what?

MAJA STARK: Some irons, a lot of good putting from like 15 feet. So, yeah, just good vibes I think come into next week.

Q. Yeah. How fun is it just to be in the chase out here on this tour and to see your name up on the scoreboard again?

MAJA STARK: It's a lot of fun. I tried to not look at the scoreboards today just because I didn't want to stress myself out if I was in the lead.

So, yeah, just a lot of fun. When you have a packed leaderboard and so many people playing so well it's really fun, because then you know you really have to make even more birdies because someone is going to come from behind.

Yeah, it's a lot of fun.

Q. Last question from me. You said you didn't play your best golf today. What wasn't working for you today? What are you looking to improve on heading into next week?

MAJA STARK: My driver was kind of everywhere. Pulled mostly left, but and then my irons weren't very good and

my wedges have been terrible all week.

So I'm just happy that I managed to go under par to be honest.
