**Q. I'm here with Chanettee, and pleasure following you today. Played very well. Does the Monday qualifier give you confidence for the tournament?**

CHANETTEE WANNASAEN: Yeah, it's the Monday qualify is really mean to me because like I got more confident before I play in tournament, because the Monday qualify I play really good.

**Q. You sure did. And on other tours you have been a winner. You have won on other tours. Does that help you for tomorrow? The experience of winning on other tournaments, does that help tomorrow?**

CHANETTEE WANNASAEN: Everything is really help because it's my first time to LPGA, and I made cut -- I miss cut about nine or eight tournament.

But this tournament I really glad for myself because I can do the best, and like, you know, that made me like proud of myself a lot. (Smiling.)

**Q. That's your name, proud, right?**

CHANETTEE WANNASAEN: Yeah.

**Q. You deserve that. Thank you so much for your time.**

CHANETTEE WANNASAEN: Thank you.
