Quick Quotes

Q. Here with Chanettee Wannasaen after her third round at the Portland Classic. Lots of birdies again for you today. Take me through the round. What were some of the best birdies?

CHANETTEE WANNASAEN: The best birdie?

Q. Sure.

CHANETTEE WANNASAEN: I think best birdie is on par-3, 16, maybe 16. Yeah, par-3. Because I got really long putt and that made me like enjoy another hole.

Because I got a birdie I'm go to leader, yeah.

Q. Yeah. How long was the putt? Do you remember?

CHANETTEE WANNASAEN: About I think ten yard. Maybe ten yard.

Q. Okay. What did you enjoy most about your round today out of everything?

CHANETTEE WANNASAEN: Actually, I think I'm really enjoy because I play with Charley Hull. She's a great player, and I'm really glad to play with her. That make me today -- because I got a lot of birdie that make me more confident.

Q. Your first time being a leader today. Potentially. The round is not over yet. What does that mean to you to be in the lead right now as a rookie?

CHANETTEE WANNASAEN: It's very mean to me because, you know, I miss cut about like nine events in LPGA tournament this year, and that's my first time to LPGA.

But it's really mean to me because I cannot made the cut before this tournament. That get me more confident, and I will improve my game shot.
