Q. It was a delight to watch Chanettee play so beautifully. 63; amazing round today. I know you were very nervous to start. What did you say to yourself? How did you calm yourself down to play such beautiful golf?

CHANETTEE WANNASAEN: I think because I always talk with my caddie on the course all the time, I think like that can help me a lot. Actually I'm very excited, but I can control my mind, you know. I kept calm.

Q. You controlled everything so perfectly today. What does this mean to you to win on the LPGA Tour? And it's been a tough year, and you come out and you win. What does this mean?

CHANETTEE WANNASAEN: It's everything to me because like I miss cut about nine event before this tournament, you know, but I'm very hopeful for make it happen, and it's happen now. Yeah.
