### Quick Quotes

**Q. All right, final day here at the Portland Classic. I know you've almost got a to flight catch, but overall walking away from this final day, how are you feeling about your game?**

CARLOTA CIGANDA: Yeah, I think it's really good rounds, 5-under on a Sunday. I think it's always a great score. Obviously you know you have to go low on this course.

I mean, the girl that I played today, she was just amazing. She played some amazing golf. 63 on a Sunday for a rookie and a Monday qualify. I mean, that's just amazing golf and she deserves to win the tournament.

**Q. What does it say about your game going into the next couple weeks knowing that your form is right up there with the best of them?**

CARLOTA CIGANDA: Yeah, very happy how I played. I was close. Last week in Canada I played better than the result, so my coach here Monday, Tuesday, so a couple things we work on, and, yeah, very happy to see the results.

To see 11-under on the weekend, only one bogey, that's really good golf.

**Q. What are some positives you take into Cincinnati, or will we not see you until Spain?**

CARLOTA CIGANDA: I'm going to take two weeks off. I'm going to rest. I think I have a lot of tournaments coming, obviously with Solheim first in Spain that I want to be ready, and I think rest is key now.

**Q. Will you go back to Spain and take it in before heading over to Finca?**

CARLOTA CIGANDA: Yeah, I'll be in Spain at least a week or a few more days, and, yeah, I'll be ready in Finca.
