

Portland Classic

Sunday, September 3, 2023

Portland, Oregon, USA

Columbia Edgewater Country Club

Megan Khang

Quick Quotes

Q. All right, Megan, just with the last two weeks, how this has gone, just how are you feeling about your game overall and how do you walk away from today?

MEGAN KHANG: You know, game is pretty solid. I mean, I can't really say too much about today. You know, couple putts didn't drop, but overall, I mean, Chanettee played amazing. 9-under on a Sunday, you know, it's pretty cool to see that.

She played amazing golf. You're out there and just kind of like there is nothing you can do about that. Gave myself a bunch of chances today, was stroking it well, just, again, putts didn't drop.

That's golf, right?

Q. It is golf, but you've played some impressive golf over this season and also the past two weeks. A lot of people may not have had the energy that you had, but how does it feel to be able to play some of the best golf of the season in the past two weeks?

MEGAN KHANG: I mean, it's awesome. I'm pretty happy with the way my game is right now. Like I said jokingly throughout the year, you know, I feel like I'm trending in the right direction, and I feel like that's just the word I've been using throughout this year.

And so I hope I just keep trending in the right direction throughout my career and just taking away a lot of lessons learned the past two weeks, what it feels like to be in the final group, what it feels like to have a girl shooting 9-under in front of you or just competing right next to you.

It's tough. Again, it's hard to win out here. Congratulations to Chanettee. You know, it's going to be a fun rest of my career, however long it is.

Q. But now you get some rest. The next time we'll see you will be in España for the Solheim Cup. How excited are you to be able to take those two weeks and move forward?

MEGAN KHANG: You know, I'm pumped. I know I only was out here for two weeks, but it's a big trip for me just being on the east coast. I have a few things I have to do when I get home. Other than that, I'm really excited to go home, get some rest, do a proper celebration with the family and friends, and just kind of decompress a little bit and really soak in the first win.
