### Quick Quotes

**Q. All right, here after the third round of the perfection. Just talk about your round today. You had a huge fist pump on 18th green to give you momentum. How did the day go as a whole for you?**

RUIXIN LIU: You know, it's a fairly easy course so I wasn't able to get anything going, especially putting.

The last putt on the 18th, a very hard hole location, and I finally roll something in that feels really good.

**Q. You mentioned you were a little frustrated today. Things weren't dropping as much as you wanted. How did you persevere through out the round?**

RUIXIN LIU: I didn't really put myself in an easy position on the green. Always have downhill putts, so that's why a little tentative when I putted up was very frustrated to always leave things short.

John told me to just stay calm and be positive. There is still a lot of holes left.

**Q. Just talk about what suits your eye about this course. A lot of people have talked about the trees, how beautiful it is out here, soft greens. What about you?**

RUIXIN LIU: Well, you know, this course always has a challenge for me as my allergy. Always have bad allergy out here.

The course is fairly short. We have guaranteed two par-5 that we can reach in two. I think that helps a lot.

We have a lot of short wedges in to approach the greens, so I think that's a huge advantage.

**Q. Talk about tomorrow. Anything you're going to work on this afternoon to get ready for tomorrow, hopefully get your second top 10 of the season?**

RUIXIN LIU: Yeah, I think I'm going to work a little on the

downhill putts a little bit in case I leave myself hanging there tomorrow.
