Quick Quotes

Q. All right, here with Angel Yin after the final round of the Portland Classic. Your best finish since I believe we were talking about last year. Just talk about how proud you are of how you played this week.

ANGEL YIN: It's hard to be proud right now, so close. But it's been a good week since I've been missing som many cuts. Really good to build off to go to Europe.

Q. And what are you going to take most from this week?

ANGEL YIN: Yeah, I'm playing really good, and just need to stick to it and then keep playing how I'm playing and maybe be better.
