## Pornanong Phatlum

### Quick Quotes

**Q. You're done with the first round here in Jersey. How is it to be back and how do you feel after your first round?**

PORNANONG PHATLUM: I feel pretty good today. I just work on my game a lot this year. I just try to be confident every shot that I play, and today is pretty good today.

**Q. That's good. You had an eagle out there today as well. Take us through the eagle real quick.**

PORNANONG PHATLUM: That hole, the second shot is about 80 yards like into the wind, and I hit like 53 degree. Then I hit it pretty good and it's just like -- yeah, it just in the hole.

I didn't see ball because the little hill before the hole. Yeah, and just surprise.

**Q. So were you really happy when you saw it in the hole?**

PORNANONG PHATLUM: Yeah, really surprise.

**Q. And what is there to work on for tomorrow?**

PORNANONG PHATLUM: I just play on my game for tomorrow. I hope the wind not like very windy like every year, so just try to play my best.
