## Jennifer Kupcho

### Quick Quotes

#### Q. Talk about the day overall?

JENNIFER KUPCHO: I mean, didn't hit the ball super great so I couldn't really expect to play as good as Mel was playing, but I gave it my best shot with what I brought to the course today.

#### Q. How was your back today?

JENNIFER KUPCHO: It was fine. The inflammation went down last night so didn't really hurt too bad today.

#### Q. How much of the door was open when you birdied 17 and Mel bogged?

JENNIFER KUPCHO: Honestly I didn't think anything of it; 2-down going into a par-5 downwind we were all going to get there or get close.

Yeah.

#### Q. What do you take out of this week? Are you going into KPMG?

JENNIFER KUPCHO: I am, yeah. I mean, just like looking back on this whole week and how much I fought through all the adversity that I came across, I'm really proud of myself and I'm excited to go into next week.

#### Q. Some good experience also being this the final group there. What was that like for you, and how are you going to take that into next week?

JENNIFER KUPCHO: Yeah, it's definitely just a different feeling. Obviously I've won a lot of events as an amateur, but playing as a pro and trying to win an event it's completely different.

So just taking all those nerves and the experience, it takes a few times before it's going to come through, so...

#### Q. You played this event last year after your U.S.

**Women's Open pro debut there. Being able to look back at how much you changed over the year, what would you say about how far you've come?**

JENNIFER KUPCHO: Unreal. Like I never would've been able to hit these wedges this close last year. I've just come a long ways and it's exciting to see the improvement over the years.
