## Celine Boutier

### Quick Quotes

**Q. What were you doing in the locker room when you were watching Inbee and Jin Young putting?**

CELINE BOUTIER: I was actually just going to wash my hands and stuff I and saw there was a TV and no one there. It was just like Katherine Kirk and Nanna, so it was a perfect place to kind of chill and watch the end.

I couldn't find a TV anywhere else.

**Q. Talk about your amazing round today and the six birdies you had on the front nine and finishing with great birdies at 16 and 18. What was really cooking so well for you today?**

CELINE BOUTIER: You know, think I just made a lot of putts today and it wasn't the case yesterday. So I just feel like I honestly played really solid, gave myself a lot of opportunities, and dropped a lot putts, so that was definitely helpful.

**Q. What does this mean to you in your career to win for the second time and the first time in the United States?**

CELINE BOUTIER: Yeah, it's unbelievable. I think I'm still not realizing it yet. I just feel like my first win in Australia was so long ago.

It's definitely time for another one, and I'm just over the moon.
