## Jeongeun Lee6

### Quick Quotes

**Q. Here with Jeongeun Lee6 coming off her round at the ShopRite LPGA Classic presented by Acer. You shot a 3-under, I believe. Good round today. I want to ask about the shortness of your tournament. Do you feel like you put yourself in a good place knowing there is only two days left to play?**

JEONGEUN LEE6: Yeah, so, yeah, I finished strong today. I made a lot of birdies. I had big miss two holes, but I made two birdies in 17 and 18, so I'm satisfied with my result today.

So, yeah, two days left. I'm going to focusing on just one shot at a time, yeah.

**Q. So I saw you said two rough holes there on 8 and 9. What was so challenging about those holes and what will you look to do tomorrow to improve your score there?**

JEONGEUN LEE6: I missed tee shot so I'm going to focus just on middle of the fairway and middle on the green. Yeah, that's it. Yeah.

**Q. Just how were the conditions out there? Calm? Windy? What was it like out there today?**

JEONGEUN LEE6: It was good today. Not much windy, not much hot. It was perfect, yeah. Yeah.

**Q. You had a second place finish here last year -- or not last year, but a couple years ago. You play well here.**

JEONGEUN LEE6: Yeah.

**Q. What do you like about this tournament?**

JEONGEUN LEE6: Yeah, I had good moments. I finished strong, second on my rookie year, so when I come here I feel good momentum.

So, yeah. I want to play well this week, yeah.

**Q. Anything you liked particularly about this course or this tournament in general?**

JEONGEUN LEE6: I think green is small so we have to focus on the second shot. So first year my shot accuracy is good so I played well. That's why, yeah.
