Quick Quotes

Q. Here with Lindsey Weaver-Wright coming off the second round at the ShopRite LPGA Classic presented by Acer. Another 3-under round for you you. What did you learn yesterday that helped you stay consistent throughout the round today?

LINDSEY WEAVER-WRIGHT: Yeah, yesterday I just tried to stay patient, and these greens are kind of iffy so you can't like make everything that you look at, so I just kind of tried to keep that in mind and I knew I wasn't going to make everything I looked, but I had a couple good lucks that I was able to make.

So just staying patient and taking what I can and kind of moving on when you make mistakes.

Q. I saw you had a couple of not-so-great holes on the back nine, but then were able to finish with a birdie here. What does it take to pick yourself up and end on a really good note?

LINDSEY WEAVER-WRIGHT: Yeah, I think like even if you make a couple bogeys it's important to remember that there are a lot of birdies out here and every hole is a potential to make a birdie, especially the 18th and 9th holes are good birdie holes, especially today. We had pretty good weather and it was very gettable. Yeah, able to convert birdie there.

Q. Speaking of 18, how are you like being the Aon Risk Reward hole this week?

LINDSEY WEAVER-WRIGHT: I love 18. Yesterday wasn't reachable so that was kind of tough. For me anyway.

Yeah, today it was great. I only had like 205 into it and I hit a pretty good drive. I think it makes for a really exciting finish. It's awesome.

Q. Couple shots back from the leader going into the last day. What's the strategy just going into

tomorrow?

LINDSEY WEAVER-WRIGHT: Just the same thing: Just staying patient and just continue to do what I've been doing. As long as I can do that and have a good attitude, then I think I'll be all right.

Q. And knowing that the winner last year was like five shots back when she won last year -- did you know that?

LINDSEY WEAVER-WRIGHT: I didn't. I didn't remember that. (Laughter.)

Q. Yeah.

LINDSEY WEAVER-WRIGHT: Anything can pretty much happen here, so you just have to hang in there.

Q. How are you going to prepare for the conditions tomorrow? Might be a little rainy-er. You escaped the rain today.

LINDSEY WEAVER-WRIGHT: Yeah, I got lucky, and it was fairly little wind as well, so got lucky on that front, too.

Yeah, I mean, playing in the rain doesn't bother me too much. I think I'll be ready. Just going to go home and eat only food and then go to bed early.
