Quick Quotes

Q. I'm here with Yan Liu, a leader in the clubhouse. You shot 6-under today. That's an incredible round. What was it like out there? Can you talk us through your round?

YAN LIU: From beginning this round I just also up and down, got birdie, and second hole is bogey, and so I just tell my caddie, say, we just go easy golf today.

Yeah, so we just play on the green and two-putt next hole. Yeah, that would be in my -- I just want to do like this today. I did pretty good back nine, yes.

Q. And then like you said, fun golf. You clearly had two eagles on 9 and 18. Talk us through those holes.

YAN LIU: Yeah, on 9 hole I have driver and second shot is my 3-wood, like 205 and it's into wind.

I just between my 4-iron and 3-hybrid, so I choice my 3-hybrid. I pretty good. You know, just like one yard for eagle I got.

And 18 hole is driver; second shot is 4-iron. Yeah, also between my 3-hybrid and 4-iron but I choice 4-iron this time. I do pretty good. Like five yards for eagle and I putt very good, yeah, so I got eagle.

Q. And then how excited are you for tomorrow being in the lead right now?

YAN LIU: You know, it's my first time leader so I just want to stay focus my game, and like today, easy golf, yeah.
