### Quick Quotes

**Q. All right, I'm here with Jasmine after her final round at the LPGA Drive On Championship. Fourth round 74678 talk about the conditions out there today and what you saw?**

JASMINE SUWANNAPURA: It's tough. It's tough. Today was tough for sure. But, you know, I did my best. Hit a lot of good iron shot and a couple hole that it didn't really take it, so it's kind of like stay out there and went in trouble couple holes.

Especially 18. I hit right at it. I'm like, please be good. And it went straight at the pin and went long. So it happens.

**Q. Yeah. And I believe those are your neighbors, right, that you were just talking to. Talk about their support this week and in general.**

JASMINE SUWANNAPURA: It's great to have them here. They wear my shirt, Jasmine shirt. I mean, I love purple so they love purple.

Anyway, they really want LPGA to have more tournament in Florida so they can come out more. Now we only have, what, three tournaments here and then Tampa and CME. So they wish there is more tournament out here in Florida.
