

# Pelican Women's Championship

Sunday, November 22, 2020

Belleair, Florida, USA

Pelican Golf Club

## Lydia Ko

### Quick Quotes

#### Q. Nice Top 5.

LYDIA KO: Thank you.

#### Q. How did it feel to put that performance together this week?

LYDIA KO: Yeah, you know, I wasn't really getting anything out there like today on the front nine, but definitely nice to be able to finish strong on the back.

No, I found how tricky this golf course is, especially with it being firm and windy. But I really enjoyed my experience here, and looking forward to coming back over the next few years.

#### Q. Was a little different out there today. Seemed like maybe a little less wind.

LYDIA KO: Less wind and the wind direction changed for us during the middle of our round. 18 was -- the max club I hit was 8-iron all week, and on the last day I hit a hybrid.

So I think that the wind direction and the wind strength obviously plays a huge factor. But even though it wasn't as windy, I think because the greens have progressively gotten firmer, it's still pretty tough out there.

#### Q. Last one I have for you: The tournament this week donated \$50 for every birdie that was made to the BayCare Hospital Foundation here. What's it like to have a tournament sponsor that does that and to be able to help with that with some birdies that you made this week?

LYDIA KO: Yeah, I know like this is a pretty tough time in the world, and for them to host a tournament itself for us is -- I know it wouldn't have been easy.

For them to do that and donate \$50 for every birdie, you know, it just shows how passionate they are and how much

they want to show support.

It's always cool that we made a bit of a contribution. Maybe, I don't know, if it's going to be a tradition going down the road for them, but I think it just shows what an amazing sponsor and how genuine they are.
