## Lauren Coughlin

### Quick Quotes

**Q. Today you played your way inside the top 100. I don't even know if you knew that.**

LAUREN COUGHLIN: I have been all week, I think. Yeah, I been trying not to pay attention to it, just not give myself any added pressure.

**Q. Do you check it often?**

LAUREN COUGHLIN: I mean, I've tried not to. This week especially I've tried not to, but I have a little bit.

To be honest, my husband knows what I need to finish, but I told him not to tell me because I didn't want to know.

So I'm just trying to keep making birdies.

**Q. Are you a board watcher?**

LAUREN COUGHLIN: I am, yeah. I'm trying not to because I actually talked with Rotella about it a little bit, and he always said not to do it unless you have visualized yourself in that position.

If you haven't and you look up, your brain is going to automatically be uncomfortable because you've never really seen it.

So I'm trying my best not to look.
