## Nelly Korda

### Quick Quotes

#### Q. (In progress.)

NELLY KORDA: Just keep my head up. I almost kind of lost faith. I was like, okay, like, you know, time to focus on next week in a sense.

I just found myself probably the best putt, putted two times in a row, and rolled it went in really nicely.

#### Q. In a playoff was that maybe the most confident you've been in a pressure packed situation?

NELLY KORDA: Yeah, for sure, I knew what it was doing, moving a little left to right. I gave myself a lot of opportunities this week. My putting probably wasn't the best, but pulled it off with it, so that's what counts.
