Quick Quotes

Q. All right, we are joined by Yan Liu. Just what was working so well for you today here at Pelican Golf Club?

YAN LIU: Today is very good weather, very good temper (temperature,) so I just feel very good for my body.

So it's pretty good course today and the green's very tough. I think it's very quick, so front nine just always just over the hole.

Q. And was that what maybe helped you? You had a little bit of a bumpy front nine; bogey-free on the back. Is figuring out the putting and the green speed what helped you kind of get more scoring opportunities?

YAN LIU: Yeah. I think back nine is just more confident in tee box. The front nine is a little tight, yeah, so back nine the green speed still help me a lot.

Q. As your rookie season is winding down, what have you made about your first year on the LPGA Tour?

YAN LIU: My goal is keep the card for next year so I did it, so I'm very glad. But still have a lot I can do more to get better.

Q. Last one: What will you take away from this round as you prepare for tomorrow?

YAN LIU: Just don't think too much. This course kind of be very windy tomorrow, so, yeah, just focus my game.
