Quick Quotes

Joined now by Chanettee Wannasaen. Take us through your opening round here at Pelican Golf Club. How did you play today?

CHANETTEE WANNASAEN: Okay, today I think I did better than I thought, a lot, because I play seven weeks. It's very tired. I'm still jet lag from Japan, but today I did really good. Better than I thought.

Q. Yeah, you had the eagle on 14. Just what happened on that hole? Take us through that.

CHANETTEE WANNASAEN: Chip in.

Q. Chip in?

CHANETTEE WANNASAEN: On third shot, yeah.

Q. Very much we've heard this is a second-shot golf course. You had the eagle to prove it there. Is that what you noticed, you're being able to take advantage of your second shots off the tee box?

CHANETTEE WANNASAEN: Actually, I don't think about like -- what can I explain? Sorry.

Q. We'll move on. What will you take away from today's round as you head into tomorrow?

CHANETTEE WANNASAEN: Okay, tomorrow I will do my best, yeah, because I'm still jet lag from Japan and, you know, it's seven weeks is a lot of lost power, lost mind sometime, and really tired, but I still do the best, yeah.

Q. Last one: How have things changed for you since your win in Portland? What's been some of the big changes in your life after your win in Portland?

CHANETTEE WANNASAEN: I got a lot of opportunity and a lot of confident, more confident from Portland. That a big move, yeah. That made me like proud of myself and then

improve like my short game, everything in golf. Yeah.
