## Georgia Hall

### Flash Interview

THE MODERATOR: Georgia, it's the final round. You did really well this week. What do you think was the strongest part of your game?

GEORGIA HALL: Good question. I think it was different bits at different times. I had a lot of good chips this week. Maybe could have holed a few more putts.

But I was pretty consist I thought, and, yeah, I'm happy with my week.

**Q. And do you think there is anything that you're looking forward to working on in the off-season?**

GEORGIA HALL: I think maybe a bit of putting and just to get a little bit more consistency of my long game.

But it was great to be in the final group today and put myself in contention, so I just need to keep doing that.

**Q. What was that like playing in the final group?**

GEORGIA HALL: I think it's No. 1 and No. 2 in the world, so no better place to be. I know I had to par the last yesterday to get in the final group, which I really wanted to do.

And, yeah, I think I wasn't really nervous. I handled the pressure pretty well. Yeah, it's just the more, more times I can keep putting myself in a position like that I can gain more experience.

Yeah, I'm happy.

**Q. What would you say is the best part 2020? You had the win at Cambia.**

GEORGIA HALL: Yeah, definitely. That was the highlight. I've had some close calls as well with other tournaments and in contention for the final one of the year. End the year on a high.

Even though it's been a tough year for everyone, I'm just really grateful for the LPGA to put as many tournaments as they did on.

**Q. My last question is Christmas is right around the corner. What are you looking forward to doing during the holidays?**

GEORGIA HALL: Probably eating. Like dinner for Christmas will be really nice, and try to see family if we can.

**Q. What are your plans? Will you come back for the Tournament of Champions or what's the schedule?**

GEORGIA HALL: Yes, I will. Definitely Diamond and then I'll see in February. I haven't looked at the schedule yet, but I would like to get off to a fast start next year, so, yeah, I'll play as many as I can.

**Q. When will you come back to the States then? Right before the tournament or...**

GEORGIA HALL: Probably a whole -- probably a week before Diamond.

**Q. I know you can't practice at home.**

GEORGIA HALL: I mean, the weather won't be great, yeah. So normally I arrive Monday; I'll arrive Thursday before maybe and try and do some warm weather practice and stuff like that.

Yeah, I'm looking forward to it.

**Q. You played alongside Jin Young today. What impressed you the most about her game and the way she finished the year with these four tournaments?**

GEORGIA HALL: It was absolutely incredible. I've never seen a player play like her, to be honest, especially the last six, seven holes. Must've been four birdies or something.

Just made it look is easy hitting it to 10-foot and straight in the middle. Fantastic player and definitely inspiration.

**Q. You say you've never seen anyone like her. What specifically do you think makes her so different?**

GEORGIA HALL: Well, she's so consistent. Everything is 10-foot, 15-foot, all the time, no matter what club she has in her hand. Putting she's so precise and the pace is never more than a foot and a half by the hole. Every time the pace a perfect.

So definitely something I'll work on.
