## Wei-Ling Hsu

### Flash Interview

**Q. Coming off a really good week at Pelican Women's Championship, come to CME and you show up and shoot a 6-under 66. Eight birdies on the card. Take us through some of your highlights.**

WEI-LING HSU: Overall today I play everything great. Like driver, iron, and putting.

Only thing I will say just the bunker game today, I got into the bunker twice and I always making bogey. So for last two hole I kind of, well, a little sad about it, but overall the whole 18 round I very happy with my score. Yeah.

**Q. What have you found the last couple weeks that has allowed you to come out and shoot really low scores on tough golf courses?**

WEI-LING HSU: I think it's really like two event left of the season. Usually I come out of the season relaxing, Hey, I just going to have fun in this week and not really setting a goal.

But this year I kind of want to do opposite. Hey, this is the final two. I need to catch up. I need a different goal. It's the final two chance that I can shoot really low, so I started working on it and be prepared for everything.

**Q. How do you kind of keep the pedal down? You make one birdie and start to make a bunch. How do you keep pushing to make more birdies?**

WEI-LING HSU: Just by not thinking. Like, yeah, especially when I make a turn which is the front nine here and there is a couple hole that I think is kind of pretty hard.

So I just said myself that I just need to make par on these four hole. Other than that, I don't really pay attention to hitting birdie. Just one shot at a time. Just hit good every shot.

**Q. Do you enjoy rain and playing in weather like this or no? Some people do.**

WEI-LING HSU: I mean, this morning was okay. Like you don't really necessarily need an umbrella. I know it's little bigger right now, but I think it's okay.

This morning without wind it really helpful.

**Q. Are you used to playing in wind or no?**

WEI-LING HSU: Depend the course. But, I mean, if there is windy here the whole course going to be really tricky. Hard to aim at the target and hard to drive.

**Q. How the winner on Sunday gets \$1.5 million. Have you thought about what you would do with that money at all?**

WEI-LING HSU: I don't know. Never thought about that. But definitely give myself a nice car.

**Q. Like what? Lamborghini?**

WEI-LING HSU: I really like BMW cars, so I was thinking maybe I will get one.

**Q. What's your current car?**

WEI-LING HSU: Nissan.

**Q. Nissan what?**

WEI-LING HSU: Murano.

**Q. SUV?**

WEI-LING HSU: Uh-huh.

**Q. Would you go SUV or sports car?**

WEI-LING HSU: I think sports cart.

**Q. And keep the SUV?**

WEI-LING HSU: Yes. Maybe give it to my dad.
