## Nasa Hataoka

Flash Interview

**Q. Who are about that is all how would you describe how you applied today and give us some highlights of what you had out there?**

NASA HATAOKA: Amy was playing really good. I'm not enough as Amy.

**Q. You had some great stats over the week. I think you were the player with the most amount of one-putts out there this week. What have you been working on with your putting?**

NASA HATAOKA: In the autumn I noticed my aiming point was a little off, so I started adjusting that.

After that, I think everything started rolling really good.

**Q. We're at the end of the season here. How would you describe your year as a whole? Several top 10 finishes. What are some highlights of this year for you?**

NASA HATAOKA: I think being in the top 10 seven times is really good. I think the winning is something more important for me, so just going to keep trying for it.

**Q. Do you have any goals headed into 2024, the off-season? Any plans getting ready for 2024?**

NASA HATAOKA: Get a win in major and also to be able to play at the Olympics.
